RE:	Case No. 05-44481 (RDD) Chapter 11 Delphi Corporation, et al	Claimant:	Trinary Systems, Inc. 31553 S. Wixom Road, Suite #100 Wixom, MI 48393
-----	--	-----------	---

Date Filed	Claim No.	Claim Amt	Basis for Objection	Modified Debtor	Modified Amt	Modified Nature
11/7/2005	393	\$6,250.00	Subject to Modification	05-44640	\$6,250.00	General Unsecured

Basis for the Claim: Software services were rendered to and left unpaid by Delphi Corporation due to bankruptcy proceedings (invoice attached).

Statement: The claim identified as having a Basis for Objection of "*Claims Subject to Modification*" should not be disallowed and expunged due to the fact that:

1. The amount of the claim was not overstated as the amount is a monthly recurring service fee to assist in Delphi operations (payment for these services continues currently), and/or
2. The claim was not in foreign currencies, and/or
3. The claim did not seek to re-classify the total amount remaining, and/or
4. Trinary Systems, Inc. did not seek to specify the appropriate or different Debtor entity by case number.

None of the "*Claims Subject to Modification*" statements apply to Trinary Systems Inc.'s claim.

Trinary Claim #393 is for a recurring monthly invoice for operational services to Delphi Corporation. Delphi supplier electronic data communications and information are tracked using the ecTrack system provided to Delphi in order to manage it's supply chain. Delphi Corporation has continued to pay for these operational services subsequent to the October 8, 2005 filing and has continued to respect the previous nature of our business relationship.

Trinary Systems, Inc. has sufficient right to payment given Delphi's continuing need for services and it's value to Delphi operations today.

Sincerely,

Nancie E. Long  
Controller
